

Carolyn I Hale, M.D.

Started her practice in 1988 and is Board Certified in Dermatology. She graduated from Linfield College with a Bachelor of Arts degree. She received her Medical Degree from Oregon Health Science University where she also completed her residency program in Dermatology. She possesses a wealth of knowledge in Dermatology; areas of expertise include skin cancer evaluations including computerized mole mapping and advanced wound care.

Sam F. Bremmer, M.D.

Dr. Bremmer is Board Certified in Dermatology. He ventured from his home town of Saint Helens, Oregon to complete his undergraduate training at Stanford University. Then, he returned home to complete medical school and residency in dermatology at Oregon Health & Science University.

Joel A. James, PA-C

Joel received his Bachelor of Science from the University of Puget Sound in 1993 and his PA degree from the University of Texas in 1996. Joel joined Dr. Hale in 2007 and has extensive experience in surgical and general dermatology. He has 20+ years experience in both primary care and dermatology. Joel served with the Army Reserves in Kuwait where he managed a Dermatology Clinic and provided general to acute dermatological care to soldiers.

Julie Miller, R.N., B.S.N., D.N.C., M.E.P.C.

Julie has a Bachelor of Nursing from Oregon Health Science University and is a Board Certified Dermatology Nurse. She received her Certification in Medical Esthetics in 2007. Julie has 30 years of experience in dermatology, focusing on aesthetics.
